If you choose to participate in the Settlement, your share of the Settlement Sum is based on the number of weeks you worked for CEC in California as a salaried Senior Manager, Manager or Technical Manager between June 2, 1996 and September 30, 2003, less all withholdings or deductions that are customarily paid by the employer or the employee, including, but not limited to, any deductions for FICA, FUTA, Medicare and income taxes, and after payment of Class Counsel's Fees and Costs Award, Incentive Awards, and the Class' share of administrative costs and fees, if any (resulting in your "Settlement Amount").

CEC's records show that, between June 2, 1996 and September 30, 2003, you worked for CEC in California as a salaried Senior Manager, Manager or Technical Manager for the following number of weeks ("Weeks Worked"):	_____
Based on this information, your estimated Gross Settlement Amount, assuming 100% class participation, is:	_____

Your actual final Settlement Amount may vary, depending on the number of valid claims filed and accepted.

Do not fill out the work history section below if you accept the information listed above on your Weeks Worked. If you do not agree that the Weeks Worked listed for you is accurate, you may challenge them by completing the following:

Between June 2, 1996 and September 30, 2003, I believe I worked the following weeks for CEC as a salaried Senior Manager, Manager or Technical Manager in California:

Dates: _____, _____ to _____, _____
 month, day year month, day year
Dates: _____, _____ to _____, _____
 month, day year month, day year
Dates: _____, _____ to _____, _____
 month, day year month, day year

*If you claim a different number of Weeks Worked, you hereby authorize the Claims Administrator to review your CEC records and make a determination based on your CEC records regarding the number of weeks you worked. **This determination may increase or decrease the amount of your settlement share. All such determinations are final and binding with no opportunity for further appeal.** If you claim a different number of Weeks Worked, you should include any documentary evidence you have that supports your claim, such as pay stubs reflecting dates of employment from June 2, 1996 through September 30, 2003.*
